ABOUT ME
My family and I have had the privilege of serving the residents of Parker County and the surrounding areas for 48 years. My parents, Perry and Barbara Mader, started the agency in 1972. My husband, Craig Bagley, and I currently operate the agency along with 16 licensed team members. Together we have over 228 years of combined insurance experience. Our goal is to make sure you and your family are not financially burdened from a loss due to an accident, natural disaster, death and more. We help you protect yourself by building a personalized plan for your unique needs with all the products State Farm has to offer: Auto Insurance, Homeowners Insurance, Life Insurance, Business Insurance and even Pet Insurance!

I have been a State Farm Agent for 25 years. I am a Parker County native and a graduate of Texas Tech University. Craig and I have been married 27 years and are very proud of our children, Mader and Blaise. We are a third generation family and love going to Texas Tech games and events. Mader graduated from Texas Tech in 2013 and is now in commercial lending. Blaise is currently a TTU student and is studying architecture.

Happy New Year from your Mader-Bagley family!!
