

GOLD JEWELRY REPAIR NYC

55 West 47th St, Room 1020G
New York
, NY 10036
USA

Phone: 646-931-0044

Choosing a repair specialist means that you must also work with someone who understands both the mechanisms and the aesthetic qualities. For example, if the band breaks on the watch or a tiny detail falls off, the tool may still be able to tell the time.
